

Safe Transport Policy

The Epsom Football Club recognises that on occasions alcohol may be consumed at special functions / committee meetings held away from the club premises and that as a club we are responsible for the safety of our members.

This policy has been developed to avoid any incidents as people travel to and from these 'special' club functions and the following requirements will apply at any such event.

- The committee shall encourage members and visitors to make alternate safe transport arrangements if they appear to be over .05 blood alcohol concentration (.00 if probationary driver)
- In specific cases, where a designated driver nominated by the club has accepted the responsibility to drive others home safely, the club (not the venue) will provide non alcoholic drinks and bar food free of charge
- Where available club transport will be provided to/from events
- Taxi vouchers will be considered as part of selected raffle prizes/player awards
- Committee will pre-order taxi's or a bus to arrive at the venue at the conclusion of the function

Policy Review

To ensure this policy remains relevant to club operations and reflects community expectations the policy will be review annually.
